Instructions for accessing Export Compliance training in CITI

Export Compliance training is available through the University of Maine System (UMS) subscription service to the Collaborative Institutional Training Initiative (CITI). In order to access and complete the training you must be a registered CITI user. There is one ‘required’ module and 10 ‘optional’ modules available to choose from. The Office of Research & Sponsored programs recommends that users complete, at a minimum, the ‘Required’ module titled 'Introduction to Export Compliance' and the 'Optional' module titled 'Export Compliance for Researchers: Part I. Each module takes approximately 40 minutes to complete; training is valid for four years.

Returning CITI Users:

- Go to: www.citiprogram.org
- Log in to your account and expand the "University of Maine System Courses' box.
- Under ‘My Learner Tools for University of Maine System' at the bottom of the page, choose 'Add a Course'
- Question 8 - Select ‘CITI Export Controls'
